

# HOW RANKED CHOICE VOTING WORKS

- Rank candidates  
1, 2, 3...
- (It's best to use all  
three of your rankings)

## Voters Rank Candidates

Eliminate Candidate  
with Fewest  
Number of Votes

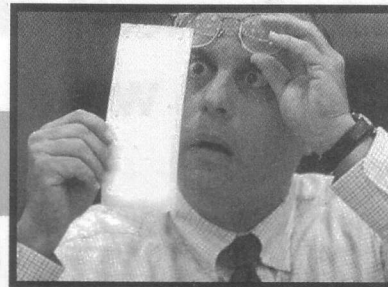

*Redistribute Votes from  
Eliminated Candidate  
to Voters' Next Choices*

## Count the Votes

for each voter's highest  
ranked candidate that hasn't  
been eliminated

No

Is There a Majority?

Yes

## Declare a Winner

- No need for  
December Runoff
- \$3 million saved  
(for citywide runoff)
