

House District 11

1971 Apportionment Board (Democrat) Plan

Here is HD 11, the least compact district in the 1971 plan. Its C.I. is only 14.0. It is one of the three house districts making up the new SD 22. The city of Seven Hills, hanging down on the left, was known to political buffs as the "Calabrese lobe." Why was it called that?
